Making a claim

How to make a warranty claim (UK)

Contact **your** nearest Vauxhall retailer and advise them that **your covered vehicle** is protected by the Network Q Warranty. The Vauxhall retailer will contact **us** regarding claims on **your** behalf.

It is **your** responsibility to authorise any dismantling of the **covered vehicle** or any other work required to diagnose any faults with the **covered vehicle**.

We will not pay for any diagnostic costs, other than the reasonable costs of diagnosis should a claim for a defective component be valid under this cover.

If **you** are VAT registered **you** remain responsible for settling the VAT content of any claim separately.

Network Q Warranty Services reserve the right to examine the **covered vehicle** and to subject it to expert assessment in order to determine if **your** claim is covered and how much **we** will pay for repairs. If **you** or anyone acting on **your** behalf acts in a way which prevents **us** from being able to determine the cause of failure by inspecting the **covered vehicle** or defective components, then **we** may not pay all or any part of **your** claim.

How to make a warranty claim (Continental Europe)

Arrange for the **covered vehicle** to be taken to the nearest Vauxhall (Opel) retailer and give the retailer **your** authority to carry out the necessary repairs. Once the repairs have been completed, **you** must settle the costs with the retailer and retain the invoice. Please also keep the replaced

components if possible until **we** have finished processing **your** claim as **we** may need to see them.

On **your** return to the **UK**, please send the invoice and copies of the **covered vehicle's** service records to **Network Q Warranty Services** with a covering letter. Please retain a copy of the repair invoice and the original service records for **your** own safekeeping as **we** will be unable to return these to **you**.

Your claim will then be processed and reimbursed to **you** in pounds sterling at the rate of exchange for the relevant currency at the time of the repair, providing that **your** claim is valid.

General terms and conditions

These conditions apply to all sections of **your** warranty cover and **you** must meet them before **we** make a payment or provide a service.

Providing information

We will only provide the cover described in this cover if, as far as **you** know, the information **you** gave at the time of taking out this cover is true and complete.

You must tell **us** about anything that may affect **your** cover (including also any changes during the **warranty period**). If **you** are not sure whether something is relevant, **you** must tell **us** anyway. **You** should keep a record of any extra information **you** give **us**. If **you** do not tell **us** about something that may be relevant, **your** cover may be invalidated and **we** may not cover any related claims.

Claims - your duties

If a claim occurs **you** must comply with the relevant claims procedures described in this document as soon as **you** can.

Claims - our rights

We can take over and carry out the defence or settlement of any claim. After **we** have made a payment, **we** can pay to take legal action to get back any payment **we** have made under this cover. If **we** want to, **we** will examine the **covered vehicle** and will test damaged components.

Looking after your vehicle

You must take all reasonable steps to safeguard the **covered vehicle** against **breakdown/immobilisation** and/or **electrical or mechanical failure**.

Important: If **you** fail to have the **covered vehicle** serviced correctly in accordance with the manufacturer's specifications during the **warranty period**, or **you** are unable to produce proof of such servicing if **we** request it, then this may invalidate this cover or **we** may not pay all or any part of a claim **you** make.

How to make a complaint

We aim to provide **you** with first class cover and service. However, there may be times when **you** feel **we** have not done so. If this is the case, please tell **us** about it so that **we** can do **our** best to solve the problem. If **you** make a complaint **your** legal rights will not be affected.

In the first instance, please contact: Customer Service, Network Q Warranty Services, 102 George Street, Croydon, Surrey, CR9 6HD or email: customersupport@allianz-assistance.co.uk or call: 020 8603 9853

Please supply **us** with **your** name, address, warranty number/vehicle registration and claim number where applicable and enclose copies of relevant correspondence as this will help **us** to deal with **your** complaint in the shortest possible time.

If **you** are not happy with **our** final response, **you** can refer the matter to The Motor Ombudsman who self-regulate the automotive industry through the Chartered Trading Standards Institute approved Codes of Practice.

This Network Q Warranty conforms to the Motor Industry Code of Practice for vehicle warranty products. For more information on the Code and what it means for **you** or to contact The Motor Ombudsman please visit: www.motorindustrycodes.co.uk
