FAQS.

ISN'T BEING PART OF THE SCHEME FAR MORE COMPLEX THAN RUNNING MY OWN CAR?

No. Signing up to the Scheme is simple and we handle the whole process for you. It also takes the hassle out of owning a car as insurance as well as servicing and maintenance are all covered and once you've had the car for three years we will replace it with a new one.

CAN I INSURE MY PARTNER/CARER/OTHER FAMILY MEMBER TO DRIVE THE VEHICLE?

You can have up to two other named drivers on the car under the Motability Scheme, so you don't have to be the sole driver. You, plus one other person can be the named driver, or in instances where the person eligible is unable to drive, you can have two others (such as a parent and a carer) as the named drivers on the vehicle.

WHAT ARE THE RUNNING COSTS OF A NEW BMW?

Aside from the cost of fuel, your Motability Scheme lease covers everything you need to keep your car running smoothly, including maintenance and servicing, so that you can enjoy worry-free motoring without the hassle of unexpected bills or repairs and enjoy the unique BMW driving experience.

Fuel economy and CO₂ results for the BMW range on the Motability Scheme:
39.2-49.9 Combined mpg (7.2-5.7 l/100km). CO₂ emissions 165-129 g/km.

Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. The CO₂ figures shown above have been determined according to the WLTP test. WLTP has been used as the applicable CO₂ figure from 1 April 2020 for first year vehicle tax (VED) and from 6 April 2020 for company car tax (BIK). The CO₂ figures were previously based on the NEDC equivalent.

Prices are correct at publication for orders placed and accepted between 1 January- 31 March 2021 with participating BMW Retailers and subject to availability and can change without notice. All models on the Motability Scheme include optional metallic paint at no extra cost. Models featured may include options at an additional cost. Motability Scheme vehicles are leased to customers by Motability Operations Limited (Registered Company No. 1373876), City Gate House, 22 Southwark, Bridge Road, London, SE1 9HB. To qualify you must be in receipt of the Higher Rate Mobility Component of Disability Living Allowance (DLA), the Enhanced Rate Mobility Component of Personal Independence Payment (PIP), the War Pensioners' Mobility Supplement (WPMs) or the Armed Forces Independence Payment (AFIP).
