

BMW is proud to be associated with Motability, a registered charity dedicated to helping disabled people get mobile by exchanging their mobility allowance to lease a new car through the Motability Scheme.

#### This route to worry-free motoring offers the following benefits:

- A new BMW every three years
- 60,000 mile allowance or 100,000 miles for Wheelchair Adapted Vehicles (WAV)
- Insurance included
- All servicing, maintenance, windscreen and tyre replacement costs built-in
- Accident and breakdown cover
- Many adaptations at no extra cost
- Ability to nominate up to three named drivers

#### Choosing a BMW on the Motability Scheme offers:

- High level of standard specification including BMW Navigation, with conventional metallic paint option at no extra cost
- Unique BMW driving dynamics and innovative technologies
- Choice of manual or automatic models and various trims, with an xDrive model available on the BMW X2.
- Visit **BMW Electrified** to calculate fuel savings of the all-electric BMW i3s, with a range of up to 175.2 miles.

### ELIGIBILITY.

To discover everyday freedom with Motability, you must be in receipt of one of the following Mobility Allowances to be able to lease a new BMW on the Motability Car Scheme.

- the Higher Rate Mobility Component of the Disability Living Allowance (DLA)
- the Enhanced Rate of the Mobility Component of the Personal Independence Payment (PIP)
- the War Pensioners' Mobility Supplement (WPMS)
- the Armed Forces Independence Payment (AFIP)

You must have at least 12 months award length remaining. Please visit **www.motability.co.uk** or call 0800 093 1000 if you are unsure.

## WHAT NEXT?

To lease a new BMW on the Motability Scheme in exchange for your Mobility Allowance, simply contact a Motability Specialist at your local BMW Centre, who can find the right BMW for you, quickly and easily.

This price list shows the one-off Advance Payment required for you to start your three year worry-free lease of a brand new BMW.

Created to keep you connected, the BMW 1 Series has the latest BMW communication technology. The sleek look accommodates greater interior space than ever before, resulting in an increase in comfort and luggage capacity. With a host of driving assistance features, every model reacts to your voice and your touch so you can concentrate on enjoying your drive.

## BMW i3s INTERIOR WORLDS.

The interior worlds of the BMW i3s allow you to choose an interior design which best reflects your own tastes. Each of the striking interior worlds provide a different character to the interior of the vehicle, while retaining an exclusive BMW ambience.

#### ATELIER.

Standard for BMW i3s, the Atelier interior world is characterised by the gentle contrast of Dark interior trim, Grey cloth combination and individual Blue accents. The trim in the instrument panel and the door areas is made from the mallow plant kenaf. This innovative material is a particularly distinctive design feature of the standard interior world. Not only is it a lightweight material, but its subtly blended surface has the natural look of felt.

#### LODGE.

Like no other equipment variation, the Lodge interior world embodies the new and contemporary premium concept of BMW i. The especially aesthetic combination of matt wood, soft leather and soft wool is essentially without equal in the automotive world. The Eucalyptus and Oak wood are obtained only from certified and environmentallyfriendly lumber companies. The wood is neither bleached, painted nor lacquered and thus retains its surface colour and texture. The standard interior trim is Eucalyptus wood, matt. As shown below, the Dark Oak, matt is available as a no cost option.

#### LOFT.

With the light Grey tones of the seats, sections of the dashboard and the side panels, the Loft interior world is characterised by an especially purist aesthetic. The modern cloth combination for the seats in both the front and rear is manufactured from recycled synthetic material, similar to that used in high-quality functional wear. This same material provides optimum comfort by means of its temperature-regulating properties.

#### SUITE.

The Suite interior world is defined by the generous use of leather in a warm, Dark Truffle colour. In the instrument panel area, it creates a stylish contrast to the contoured wooden elements made of Dark Oak. On the door panels, the leather harmonises with the individual fabric elements. Despite the vehicle's luxurious character, the BMW i designers only integrate the soft leather surfaces where the driver can feel them and therefore needs them, such as on the armrests.

# EASY HOME CHARGING OR CHARGING ON THE GO IN THE BMW i3s.

For your convenience, the BMW i3s includes AC for easy home charging and DC for rapid public charging.

#### CHARGING CABLES.

As standard, the BMW i3s includes a standard-charging cable (Mode 2) for easy home charging and a charging cable (Mode 3) for rapid public charging.

#### CHARGING SOLUTIONS.

Motability offers all Electric Vehicle customers a home Wallbox or a public charging network membership, subject to Motability terms and conditions. For more information, please click **here** or contact Motability directly.

#### ALL-ELECTRIC RANGE.

The BMW i3s, which delivers a sportier driving experience, offers an all-electric range of up to 173.3-175.2 miles.

Planning your next trip, checking the status of your vehicle or using one of the remote service functions has never been easier – all conveniently controlled from your smartphone.

Check in, take control and plan with the following features:

Check your fuel level, or charge status in your BMW i3s before your journey

Send destinations and locations to your BMW in time for planned trips

Search for charging or fuel stations nearby

For peace of mind, you can remotely lock and unlock your vehicle

Book in your next service online

And so much more.

DISCOVER MORE ABOUT THE NEW My BMW APP **HERE** OR DOWNLOAD THE APP FOR YOURSELF.

## FAQS.

# ISN'T BEING PART OF THE SCHEME FAR MORE COMPLEX THAN RUNNING MY OWN CAR?

No. Signing up to the Scheme is simple and we handle the whole process for you. It also takes the hassle out of owning a car as insurance as well as servicing and maintenance are all covered and once you've had your BMW for three years we will replace it with a new one.

# CAN I INSURE MY PARTNER/CARER/OTHER FAMILY MEMBER TO DRIVE THE VEHICLE?

You can have up to three named drivers of the car on the Motability Scheme. For example, you plus two other people can be the named drivers or if you are unable to drive, you can have up to three named drivers (such as a parent or carer) on the vehicle.

#### WHAT ARE THE RUNNING COSTS OF A NEW BMW?

Aside from the cost of fuel, your Motability Scheme all-inclusive lease covers everything you need to keep your car running smoothly, including insurance, servicing and maintenance, as well as accident and breakdown cover, so you can enjoy the unique BMW driving experience and more everyday freedom, without the hassle of unexpected bills.

Fuel economy and  $CO_2$  results for the BMW range on the Motability Scheme, excluding the BMW i3s range: 39.8-61.4 combined mpg (7.1-4.6l/100km).  $CO_2$  emissions combined 162-120g/km.

Fuel economy and  $CO_2$  results for the BMW i3s on the Motability Scheme: mpg n/a.  $CO_2$  emissions 0g/km. Electric energy consumption (combined) 3.8 miles/kWh. Electric range 173.3-175.2 miles.

For plug-in hybrid vehicles these figures were obtained using a combination of bottery power and fuel, for bottery electric vehicles these figures were obtained after the bottery have been fully charged. Plug-in hybrid and bottery electric vehicles require mains electricity for charging. These figures were achieved using the WLTP test procedure. Figures shown or er for comparability purposes. Only compare fuel consumption, CO<sub>2</sub>, electric energy consumption and electric range figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load.

#### BMW (UK) Ltd is a credit broker not a lender.

Prices are correct at publication for orders placed and accepted between 1 January – 31 March 2022 with participating BMW Centres and subject to availability and can change without notice. All models on the Motability Scheme include optional metallic point at no extra cost. Models featured may include options at an additional cast. Motability Scheme vehicles are leased to customers by Motability Operations Limited (Registered Company No. 1373876), City Cate House, 22 Southwark, Bridge Road, London, SE1 9HB. To qualify you must be in receipt of the Higher Rate Mobility Component of Disability Living Allowance (DLA), the Enhanced Rate Mobility Component of Personal Independence Payment (PIP), the War Pensioners' Mobility Supplement (WPMP) or the Armed Forces Independence Payment (AFIP).
