Accessories

MAKE YOUR STATEMENT ... AND MAKE A DIFFERENCE

It's just you and your ProCeed in the spotlight. So make the most of the attention with your personal choice of genuine accessories that maximize the attraction. There's a wide variety of attractive products to choose from, all of them custom made using high-quality materials. And it's a great feeling knowing that your ProCeed expresses your own unique character.

REFINE YOUR STYLE

... WITH EVERY DETAIL

What does it take to give your ProCeed a personal touch? Just your own good taste and the superb quality of Kia Genuine Accessories. You can create a coordinated look by choosing door mirror caps, and trim for the tailgate and trunk sill in either high gloss or brushed satin finishes. So you can decide just how much you want to shine. Pictured is the tailgate trim line in high gloss.

PROCEED

A close-up photograph of a car's tailgate trim line, which is highly reflective and polished. The trim is a bright, metallic silver color. In the upper right corner, the word "PROCEED" is visible in a raised, metallic font. The background is a dark, blurred red, suggesting the car's body color. The lighting creates sharp highlights and reflections on the trim's surface.

PERFECT THE AMBIENCE ... SHINE A LIGHT

When it's dark, they shine. Light up the night with ambient lighting effects that are more than just practical. They also add a distinctly elegant tone. Inside, LED ambient lighting illuminates the footwells in stylish red (shown) or classic white. And, whenever a front door is opened, automatic projector lights, with or without Kia logos, illuminate the exterior ground.

AFFIRM YOUR CHARACTER

... WITH CONFIDENCE

The bold, confident design of ProCeed speaks for itself. But if you want it to speak a little louder, we've developed high-quality, precision-cut decals that add extra linear dynamism to the air-smoothed surfaces. Available in glossy red, glossy black or matt white (shown) to enhance the body colour of your car.

A close-up photograph of a red car's front wheel and fender. The car is illuminated with dramatic, low-key lighting, featuring a mix of red and blue tones. The wheel is a multi-spoke alloy design with a bicolour finish. The Kia logo is visible in the center of the wheel. The background is dark and textured, possibly gravel or asphalt, with some light reflecting off the surface.

BE BOLD
... AND BE NOTICED

Break new ground. Follow a new star. And show others the way with specially designed and engineered alloy wheels. Your choice of wheels says so much about you, so we've made it easy for you to reflect your personality through your wheels. Like the sophistication of a graphite finish, or the eye-catching bicolour 3D effect. Pictured is the 18" alloy wheel, bicolour.

QUALITY DESIGN ... THAT LASTS

No matter how you look after yourself, the passing years can still leave their tracks. But you can help your ProCeed keep its showroom condition with well thought-out solutions like the practical trunk liner (pictured), all-weather or textile floor mats, and trunk mats. Whatever adventures you have in mind, they all provide effective protection against the effects of everyday use and deterioration caused by extreme weather.

GET OUT AND ABOUT ... ENJOY YOUR LIFE

Enjoy both bold design and outstanding practicality. Our clever accessories, that organize and expand your ProCeed's carrying capacity also inspire you to enjoy life much more. Typical is our custom-made detachable tow bar (pictured) which provides a sturdy basis for our bike carrier. All have been rigorously tested to meet the toughest standards.
