# INTRODUCING THE MINI COUNTRYMAN.

The MINI Countryman is a versatile, five-seater Sport Activity Vehicle that's more comfortable than ever. As big as it feels on the inside, the Countryman is still a MINI through and through. Gliding through the city, coasting through the mountains – it's all effortless. It's just under 4.3 metres long, which means it has some serious luggage capacity in addition to ample legroom. The MINI Countryman also comes equipped with standard features you might expect to be optional. With powerful engines and optional ALL4 all-wheel-drive, it tackles even the trickiest terrain with ease. So what are you waiting for? The world won't explore itself.

## STANDARD EQUIPMENT HIGHLIGHTS.

- Navigation Pack, including:
  - MINI Navigation system with 6.5" display
  - Real Time Traffic Information (RTTI)
  - Apple CarPlay
  - Remote Services
  - ConnectedDrive Services (including Online Search and Weather Information)
  - Intelligent emergency calling (E-call)
- Roof rails
- White indicators
- Multi-function controls for steering wheel
- DAB digital tuner
- Rear Park Distance Control
- Rain sensor and automatic headlight activation
- Interior lights pack
- MINI Excitement Pack (including MINI logo projection, illuminated door handles and LED mood lighting)

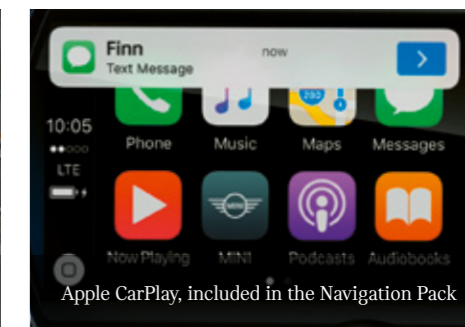

For more information about full standard equipment, please refer to pages 06-13.

Roof rails in silver

Rear Park Distance Control

Apple CarPlay, included in the Navigation Pack

## COOPER

A 1.5-l 3-cylinder petrol engine (136 hp/100 kW) and a 2.0-l 4-cylinder diesel version (150 hp/110 kW) offer a handy blend of power and economy. It comes with a Chrome-plated exhaust tailpipe.

## COOPER S

Better, faster, stronger: With a 2.0-l 4-cylinder petrol engine (192 hp/141 kW), the Cooper S packs the biggest punch. Hallmarks include the red S at the rear, side scuttles, the radiator grille with honeycomb structure and Chrome border and the twin Chrome-plated exhaust tailpipes (right and left).

## COOPER S

The MINI Countryman Plug-in Hybrid features a clever combination: A 3-cylinder petrol engine (136 hp/100 kW) at the front with an 87-hp/65-kW e-motor at the rear axle. The MINI Countryman Plug-in Hybrid is instantly recognisable via the yellow MINI Plug-in Hybrid logo on the side scuttles and at the rear. Additional hallmarks include the yellow Cooper 'S' badge on the front grille and tailgate, the single Chrome-plated tailpipe at rear apron and the charging port on the left-hand side.

# PRICING.

### VED RATES

VED rates for brand new cars are determined by their CO<sub>2</sub> emissions figure. First year VED applies to the first year of ownership. Annual VED rates apply thereafter. The MINI Countryman models fall into one of the categories listed below:

#### Petrol

CO <sub>2</sub> emissions (g/km)	111-130	131-150	151-170
First year VED	£170	£210	£530
Annual VED (second year onwards) for cars costing under £40,000	£145	£145	£145
Annual VED (second year onwards) for cars costing over £40,000*	£465	£465	£465

#### Diesel

CO <sub>2</sub> emissions (g/km)	111-130
First year VED	£210
Annual VED (second year onwards) for cars costing under £40,000	£145
Annual VED (second year onwards) for cars costing over £40,000*	£465

#### Plug-in Hybrid

CO <sub>2</sub> emissions (g/km)	1-50
First year VED	£0**
Annual VED (second year onwards) for cars costing under £40,000	£135**
Annual VED (second year onwards) for cars costing over £40,000*	£455**

### PRICES AND SPECIFICATIONS

MINI UK reserves the right to alter prices and specifications without notice. MINI UK has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions.

### ON THE ROAD PRICE

The recommended On The Road price is based on the Recommended Retail Price (RRP) and On The Road charges. OTR charges include:

Delivery and MINI Emergency Service	£500
Number plates	£25
Vehicle first registration fee	£55
Vehicle Excise Duty	See left

<sup>†</sup>The CO<sub>2</sub> figures are for comparison purposes and may not reflect real life driving results which depend on a number of factors including the starting charge of the battery, accessories fitted (post registration), variations in weather, driving styles and vehicle load. They were determined according to a new test (WLTP) and translated back to the outgoing test (NEDC) and will be used to calculate vehicle tax on first registration. Only compare CO<sub>2</sub> figures with other cars tested to the same technical procedure.

\* Annual VED (second year onwards) for cars costing over £40,000 is payable for five years.  
\*\* Rates for alternative fuel vehicles including the MINI Countryman Plug-in Hybrid with CO<sub>2</sub> emissions of 45-43 g/km.

# STANDARD EQUIPMENT.

RAISE THE STANDARDS.

## CLASSIC.

The Classic style comes with an extensive list of standard specifications, such as:

### EXTERIOR:

- 16" alloy wheels on Cooper / ALL4 / D / D ALL4
- 17" alloy wheels on Cooper S / S ALL4 / S E ALL4 PHEV

The exterior image shown features optional LED headlights with cornering lights and roof and mirror caps in black.

### INTERIOR:

- Standard seats in cloth on Cooper / ALL4 / D / D ALL4 / S E ALL4 PHEV
- Sport seats in cloth on Cooper S / S ALL4
- Sport leather steering wheel on all models

## SPORT.

The Sport style is distinctly sporty. It includes some exclusive John Cooper Works interior and exterior equipment such as:

### EXTERIOR:

- Upgraded 18" John Cooper Works alloy wheels
- John Cooper Works aerodynamic kit
- John Cooper Works spoiler

The exterior image shown features optional exterior colour, LED headlights with cornering lights and roof and mirror caps in black.

### INTERIOR:

- John Cooper Works sport seats
- John Cooper Works sport leather steering wheel
- John Cooper Works Piano Black interior trim
- John Cooper Works door sill finishers
- Anthracite headlining
- Cruise control with brake function
- Performance Control (already standard on Cooper S / S ALL4 / S E ALL4 PHEV)

## EXCLUSIVE.

The Exclusive style prizes individuality and a more refined style. It includes some exclusive MINI Yours interior and exterior features and upgraded equipment such as:

### EXTERIOR:

- Exclusive 18" alloy wheels
- Chrome Line Exterior

The exterior image shown features optional exterior colour and LED headlights with cornering lights.

### INTERIOR:

- MINI Yours leather steering wheel
- MINI Yours leather sport seats
- MINI Yours interior style
- MINI Yours gearstick with exclusive stitching\*
- Chrome Line Interior
- Cruise control with brake function

\*Not with Cooper S models with sport automatic transmission (2TC/2TB) which include red stitching on the gearstick.

# STANDARD EQUIPMENT.

THE MINI COUNTRYMAN JOHN COOPER WORKS 306HP.

Model shown: The MINI Countryman John Cooper Works 306hp with optional Rebel Green exterior colour, roof and mirror caps in red, John Cooper Works sport stripes in red and 19" John Cooper Works Circuit Spoke alloy wheels.

The MINI Countryman John Cooper Works returns with 306hp. As the ultimate Sport Activity Vehicle, the MINI Countryman John Cooper Works 306hp blends exceptional capability with inspired driving wherever it goes. The standard ALL4 all-wheel-drive provides exciting off-road abilities to go with its powerful forward thrust and extreme traction – just in case you find yourself off paved roads and really want to hit the accelerator.

## STANDARD EQUIPMENT HIGHLIGHTS.

### EXTERIOR:

- 18" John Cooper Works Grip Spoke alloy wheels in black
- Sport Suspension
- John Cooper Works aerodynamic kit
- John Cooper Works sport exhaust
- John Cooper Works spoiler

### Dimensions

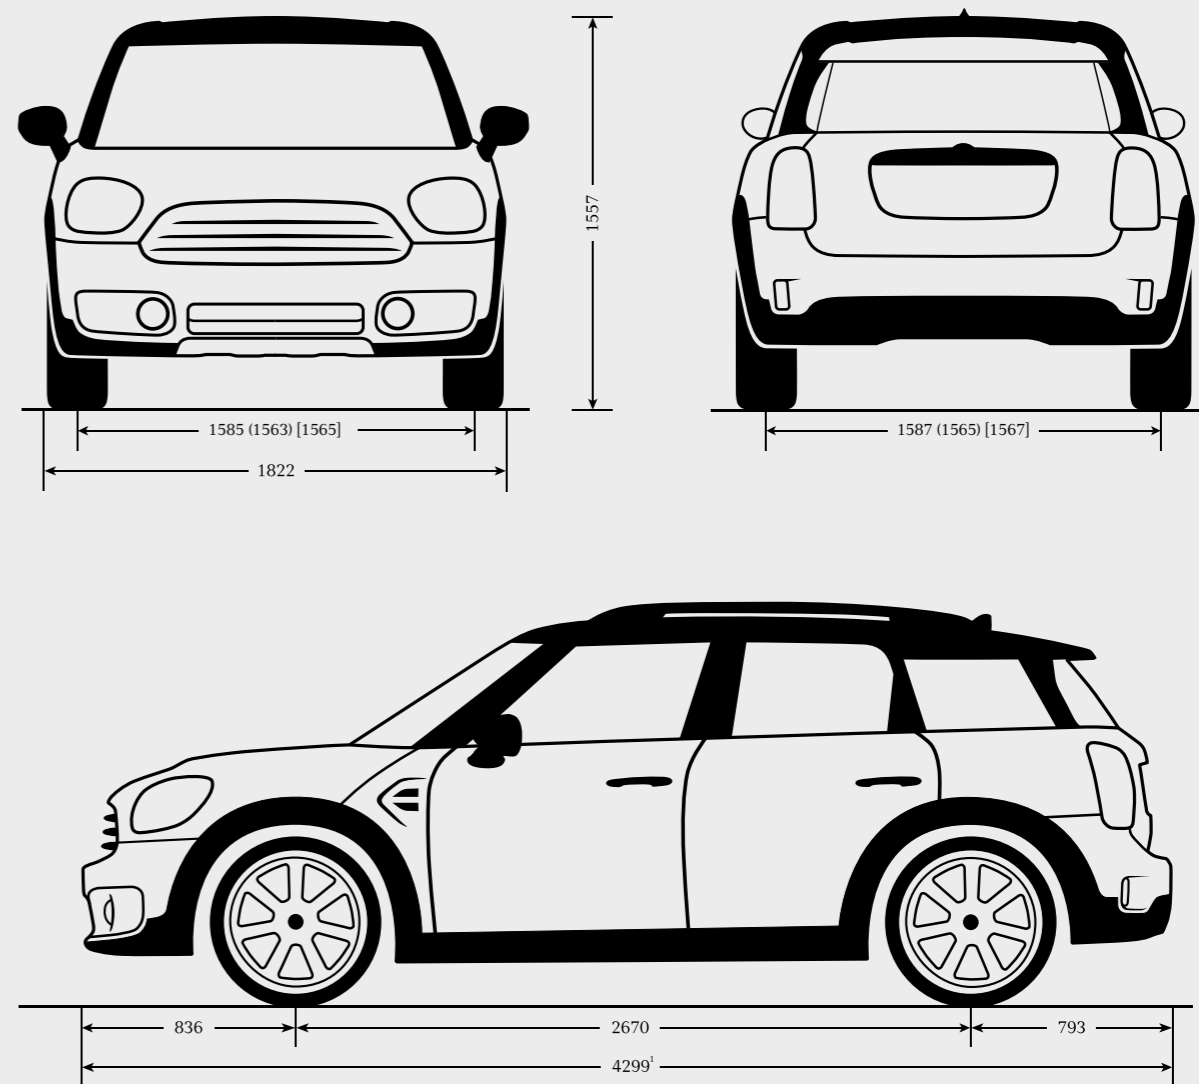

Length <sup>1</sup> (mm)	4299	4299	4299	4299	4299	4299	4299	4299
Width incl. door mirrors (mm)	2005	2005	2005	2005	2005	2005	2005	2005
Vehicle height (mm)	1557	1557	1557	1557	1557	1557	1559	1557
Fuel tank capacity (litres)	51	51	51	51	51	51	36	51
Luggage capacity <sup>2</sup> (litres)	450-1390	450-1390	450-1390	450-1390	450-1390	450-1390	405-1275	450-1390

\* Figures are for comparison purposes and may not reflect real life driving results which depend on a number of factors including the starting charge of the battery, accessories fitted (post registration), variations in weather, driving styles and vehicle load. All figures were determined according to a new test (WLTP). The CO<sub>2</sub> figures were translated back to the outgoing test (NEDC) and will be used to calculate vehicle tax on first registration. Only compare fuel consumption and CO<sub>2</sub> figures with other cars tested to the same technical procedure. Figures vary within the range depending on the style selected and the optional equipment fitted.

<sup>†</sup> Figures were obtained using a combination of battery power and fuel. The MINI Countryman Plug-in Hybrid is a plug-in hybrid vehicle requiring mains electricity for charging. Fuel consumption figures shown correspond to weighted combined figures.

<sup>1</sup> Sport models are slightly longer due to the John Cooper Works aerodynamic kit fitted as part of the standard equipment.

<sup>2</sup> Luggage capacity varies depending on whether the rear seats are up or folded down.

Cooper S figures in (). John Cooper Works 306hp figures in []. All figures in mm.

# THE MINI COUNTRYMAN PLUG-IN HYBRID.

## MINI ELECTRIC

Model shown: MINI Countryman Plug-in Hybrid Classic with optional Melting Silver exterior paint, roof and mirror caps in black, 18" Pin Spoke alloy wheels in black and LED headlights with cornering lights.

The MINI Countryman Plug-in Hybrid combines an electric motor and battery with a conventional petrol engine to offer drivers the best of both worlds with a total output of 224 hp enabling thrilling acceleration from 0 to 62 mph in 6.8 seconds. The e-motor backs up the petrol engine via the boost function and enables electric all-wheel-drive. The central display ① shows the power distribution between the two engines. A combi display ② replaces the rev counter, and shows the available power. The battery can be charged both during the journey and externally using the supplied cable ③.

### STANDARD EQUIPMENT HIGHLIGHTS.

(in addition to MINI Countryman Cooper S standard equipment)

- Automatic transmission
- High voltage battery and electric motor
- AC charging (charging flap on front left lower A-panel)
- AC home charging cable
- Central display (showing engine power distribution) and combi display (showing available power)
- ALL4 Electric (rear axle powered by electric motor and front axle powered by combustion engine)
- Chargeable battery during driving
- eDrive button (change the powertrain preference to AUTO eDRIVE, MAX eDRIVE or SAVE BATTERY)
- MINI Driving Modes (centre toggle switch to control driving mode settings: Sport, Mid, Green; allows adaption to different driving situations and ensures a high driving efficiency and the optimal electric range)
- Preconditioning (remotely heat or cool the vehicle prior to departure through the MINI Connected app)

The MINI Countryman Plug-in Hybrid is available in Classic, Sport or Exclusive style, for more information about the equipment standard with each style please see pages 10-11.

#### PERFORMANCE:

Petrol engine	Electric motor	Combined	
- Max. output: 136 hp	- Max. output: 95 hp	- System output: 224 hp	- 0-62 mph:
- Max. torque: 220 Nm	- Max. torque: 165 Nm	- System torque: 385 Nm	6.8 seconds

#### BATTERY:

- Battery type: Lithium-Ion	- Net battery content (high voltage): 8.8 kWh
- Gross battery content (high voltage): 10 kWh	- Battery capacity (high voltage): 34 Ah

#### RANGE AND CONSUMPTION<sup>1</sup>:

- All Electric Range: 26.1 - 28.6 miles	- Electric energy consumption (weighted combined): 4.0 - 4.1 miles/kWh
- Equivalent All Electric Range: 29.8 - 31.7 miles	(15.7 - 15.0 kWh/100 km)
- Fuel consumption (weighted combined): 141.2 - 156.9 mpg (2.0 - 1.8 l/100 km)	- CO <sub>2</sub> emissions (weighted): 45 - 43 g/km

#### CHARGING<sup>2</sup>:

Home charging (AC)		
With occasional home charging cable (3-pin plug)	2.3 kW	3 hours 48 minutes <sup>3</sup>
With Wallbox	3.7 kW	2 hours 24 minutes <sup>4,5</sup>
Public charging (AC)		
With AC public charging	3.7 kW	2 hours 24 minutes <sup>4</sup>

<sup>1</sup> Figures are for comparison purposes and may not reflect real life driving results which depend on a number of factors including the starting charge of the battery, accessories fitted (post registration), variations in weather, driving styles and vehicle load. They were obtained using a combination of battery power and fuel. The MINI Countryman Plug-in Hybrid is a plug-in hybrid vehicle requiring mains electricity for charging. All figures were determined according to a new test (WLTP). The CO<sub>2</sub> figures were translated back to the outgoing test (NEDC) and will be used to calculate vehicle tax on first registration. Only compare fuel consumption, CO<sub>2</sub> and electric range figures with other cars tested to the same technical procedure. <sup>2</sup> Charging time corresponds to an 80% charge. Charging times are approximate and may vary depending on various factors such as the type and condition of the charger and the temperature of the battery at the point of use. <sup>3</sup> A 100% charge is achieved in 5.0 hours. <sup>4</sup> A 100% charge is achieved in 3.2 hours. <sup>5</sup> Charging time applies to any 3.7 kW Wallbox.

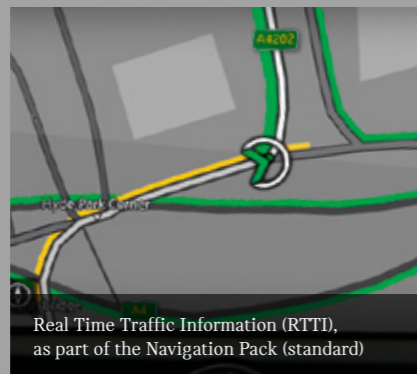

# MINI SELECT FINANCE.

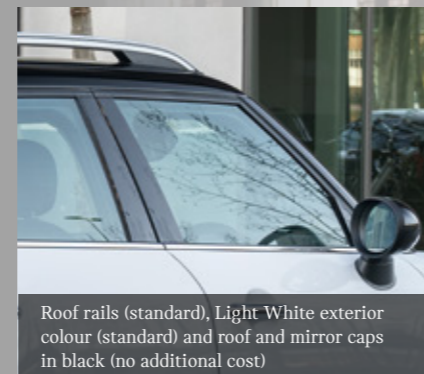

THE MINI COUNTRYMAN.

16" Revolute Spoke alloy wheels (standard)

Offer may be varied, withdrawn or extended at any time. 'MINI Select' is a form of hire-purchase agreement provided by MINI Financial Services, Summit ONE, Summit Avenue, Farnborough, Hampshire GU14 0FB. MINI UK introduces customers to MINI Financial Services only.

# SENSIBLE REASONS TO CHOOSE A MINI.

Exceptional drive, build quality and an array of striking interior design features – all great reasons to buy a MINI but that's certainly not the whole story. Here are some other things you might find interesting:

## **Genuine MINI Accessories.**

Genuine MINI Accessories are the only range of products which are approved by the people that build the MINI. Every item is at one with the design, build and spirit of this uncompromising car. New or Approved Used, there are many ways to make your MINI unique with our innovative equipment and Accessories.

Be it exterior styling accessories including decals, alloy wheels, roof rack systems and mirror covers or why not tailor the interior, where the range extends from the rear-view mirror covers and door lock caps to MINI Advanced Car Eye and Travel and Comfort systems for rear seat entertainment and storage.

Whichever you choose, Genuine MINI Accessories are sure to make your MINI as individual as you. For details of the full range available ask about our MINI Accessory brochures at your local MINI Centre or visit: [mini.co.uk/accessories](http://mini.co.uk/accessories)

## **Servicing made simple.**

Planning for the road ahead has never been easier. With the MINI Pay Monthly Service Plan\* you can remove the uncertainty often associated with car servicing costs by spreading them monthly, much like you would your household bills.

Our Pay Monthly service plan covers 2 services and any unused credit can be transferred to another MINI if you decide to switch unexpectedly.

As part of the Pay Monthly plan you will also receive a number of added extras including fluid top ups, an MOT, a Wash & Vac each time you visit, seasonal health checks and Sat Nav Map updates.

Get the quality service and parts you expect from MINI with a fixed monthly payment and rest easy knowing that we'll put the same love and attention into servicing your MINI as we did making it.

For more information please contact your preferred MINI Centre.

\*Participating MINI Retailers only. Both services must be claimed within 4 years or 40,000 miles, whichever occurs soonest.

## **Finance that focuses on you.**

Driving away in your new MINI could be closer than you think. From getting an online quote, to getting behind the wheel, we make the financing journey easier. We offer three tailored finance products, so whether you want to own or lease your MINI, you'll find a finance product that works for you. Visit [mini.co.uk/finance](http://mini.co.uk/finance) for more information. What's more, you can manage your agreement online with MyMINI Finance.

## **MINI Select.**

Having three options at the end of your agreement makes this our most popular finance product, for new or Approved Used MINIs.

## **MINI Hire Purchase.**

The attraction of MINI Hire Purchase is that there are no mileage restrictions. Better still, when you get to the end of your finance agreement, your MINI is all yours.

## **MINI Contract Hire.**

Available for both personal and business users, this is a truly effortless way to get the keys to a MINI.

MINI UK, a trading name of BMW (UK) Limited, is a credit broker not a lender.

Finance is subject to status and available to over 18s in the UK only. Guarantees and indemnities may be required. Terms and conditions apply. Finance provided by MINI Financial Services, a trading name of BMW Financial Services (GB) Limited, Summit ONE, Summit Avenue, Farnborough, Hampshire GU14 0FB. MINI UK introduces customers to MINI Financial Services only.

## **Our retailers.**

Last but certainly not least, our lovely MINI Centres. Our retailers take a lot of pride in making their showrooms nice places to visit and staffing them with friendly, knowledgeable staff. Our service areas are filled with MINI specialists who know them inside out and are ready to lavish them with care.

Prices and technical data shown are those in effect at the time of publishing and may alter periodically subject to product changes. All prices include VAT unless quoted separately.
